MYAEROSPACE ONLINE ORDERING

REPAIR ORDERS

Honeywell
THE POWER OF **CONNECTED**

PART SEARCH

Search Results can be filtered by Part or Service type.

Up to 25 parts can be searched at once using the [Multiple Part Search function](#).

The screenshot shows the Honeywell MyAerospace online ordering interface. At the top, there is a navigation bar with the Honeywell logo, "MyAerospace", and links for "PARTS & REPAIRS", "SERVICES & SUPPORT", and "CONTACT US". A search bar is located on the right. Below the navigation bar is a banner image of a warehouse with the text "ONLINE ORDERING".

The main content area shows a search progress indicator: "TEST PROFILE" and "STEP 1 OF 4 | SEARCH FOR PARTS | NEED HELP?". The search interface includes a search bar with the part number "3214552-6" and a "SEARCH MULTIPLE" button. A dropdown menu is open, showing search filters:

- PARTS (SELECT ALL THAT APPLY)
- NEW PURCHASE
- USED PURCHASE (HAT)
- EXCHANGE
- RENTAL
- SERVICES
- REPAIR
- OVERHAUL
- TEST
- MODIFY
- INSPECT

The search results are displayed in a table-like format. The first result is for part "B737NG" with a quantity of 1. It includes a "Request Date" field set to "NOV-01-2018" and a "GET QUOTE OR PLACE OFFER" button. The second result is for "Regulator and Shutoff Valve" with a quantity of 1 and a "Request Date" field set to "NOV-06-2018".

VIEW SEARCH RESULTS

Options for repair sites, TAT, and available certifications will be shown.

Universal Flat Rate (UFR) price or customer specific pricing will be displayed as applicable.

If there is no UFR, “Quoted After Inspection” is displayed. A quote will be provided after the repair site performs an inspection of the part.

Select desired line to proceed with order.

GO TO CART

The screenshot displays the Honeywell online ordering interface. At the top, there is a banner for 'ONLINE ORDERING' with a background image of a warehouse. Below the banner, the navigation bar includes 'TEST ACCOUNT' with a dropdown arrow, 'STEP 1 OF 4 | SEARCH FOR PARTS | NEED HELP?', and a shopping cart icon with the number '1'. The main search area features a search bar with 'SEARCHING 3 TYPES' and a dropdown arrow, a text input field containing '3214552-6' with a clear 'X' button, a 'SEARCH MULTIPLE' button with a magnifying glass icon, and a 'QTY: 1' field. Below the search bar, it shows 'Results : 5 VALID RESULTS' and a 'Clear Search' link. On the right side, a product card is visible for 'PRESSURE REGULATOR AND ...' with part number 'PN: 3214552-6', quantity 'QTY: 1', and price 'USD'. A 'GO TO CART' button is highlighted with a green arrow. Another green arrow points to the shopping cart icon in the top right corner.

After adding part to the cart, the Part Search screen will appear.

Once ready to check out, hover over the shopping cart icon and select **Go To Cart**.

EDIT CART

A summary of all items in the cart will appear. To view details, select **Show Details**.

To remove an item from the cart, select the **X** button. To edit an item in the cart select the **edit** button.

To continue, select **Proceed to Checkout**.

SERVICE BULLETINS

Honeywell Discretion allows Honeywell to determine the appropriate application of any service bulletins.

If there are any SB's that should *not* be performed, they should be selected.

[GO BACK](#)

ADD SERVICE BULLETIN
✕

SERVICE BULLETIN	DESCRIPTION	VER	UNIT OF MEASURE	PRICE	DO NOT PERFORM
<input checked="" type="checkbox"/> HONEYWELL DISCRETION	This option allows Honeywell to determine the appropriate application of any service bulletins and/or workscope modification to complete the selected service

	PNEUMATIC - PRESSURE REGULATOR				

For the approved flat rate, this part number may be repaired, modified, tested, and or inspected in accordance with applicable technical publications and, in their absence, the approved manufacturing data. As dictated by the as-received condition, the pre-selected Service Bulletins may be incorporated by Honeywell as necessary and are included in the price and any additional Service Bulletins selected by the customer are chargeable as shown.

If you have selected a Service Bulletin that we are unable to implement, or that has been already incorporated, the bulletin will not be incorporated and we will contact you as necessary. If you have failed to select a Service Bulletin that is required to bring the unit to serviceable condition then we will contact you as necessary.

CHECKOUT-FREIGHT FORWARDER

Type the first few letters to search the list of freight forwarders.

If a freight forwarder is selected in a country that differs from the shipping country, a warning message will appear.

If freight forwarder is not on the list, contact your customer support focal.

The screenshot shows a web interface titled "SELECT A FREIGHT FORWARDER". Below the title, there is a section labeled "FREIGHT FORWARDER" with a search input field containing the text "LISSA". Below the search field, a list of freight forwarders is partially visible, including "LISSA", "RUA", and "LISB". A warning message box is overlaid on the interface, titled "FREIGHT FORWARDER LOCATION" with a red 'X' icon in the top right corner. The message text reads: "Selected freight forwarder country differs from the shipping country. Please check again. If you wish you proceed dismiss this message." At the bottom of the interface, there are two buttons: "CANCEL" (a light gray button) and "CONTINUE" (a blue button).
