

HONEYWELL CUSTOMER STATEMENT OF CERTIFICATION  
Compliance with United States Export Regulations

The person executing this letter is assuming the responsibility of complying with these obligations both as an individual and representative of the company that he/she represents. Please ensure the signed letter appears on company letterhead and that all information is complete.

It is Honeywell's policy to verify the end-use and end-users for all exports involving Honeywell products or transfers of technical data or software. This is to ensure compliance with applicable United States export control laws and regulations, specifically Parts 736 and 744 of the Export Administration Regulations, as well as with the laws and regulations of the selling country.

Because the products you are purchasing, or software or technology you are licensing, may be exported and used outside of the United States and/or the selling country, please confirm the following:
